

Make your space work®

10500 Series

Integrity and style united.

You Really Can Have It All

A high quality product portfolio should go beyond great looks and convenient functionality—it should provide lasting value. With a wide array of smart options, the versatile 10500 Series was designed to maximize any office space with a variety of flexible layout possibilities. And with an impressive choice of durable materials and stylish finishes, your aesthetic latitude is virtually unlimited. The bottom line? The 10500 Series simply gives you more for less.

2 HON 10500 Series 3

Just Your Type

Completely at home within both collaborative and private spaces, this industrious collection delivers comprehensive performance without breaking the bank. With options designed to support heads-down focus, reception areas, and touchdown hubs, 10500 Series is the modern office's all-inclusive answer to connection and productivity. And whether your style is traditional, transitional, or progressive, 10500 Series adapts seamlessly with an impressive choice of colors, textures, and options to celebrate your organization's unique brand.

Paired with comfortable and supportive HON lounge seating, 10500 Series offers a warm welcome for guests.

B. Alone Time

10500 Series is the ideal foundation for an efficient private office.

C. Better Together

Inspire shared ideas and collective goals with 10500 Series teaming configurations.

D. Strategic SynergyTeaming up with the flexibility of Workwall, 10500 Series laterals and cabinets offer cohesive organization to any space.
