Efficiency starts at the beginning. When facilitating the furnishing of a complete space, you need to know where it's coming from, when you can get it, and how much it will cost. Here's how you'll know:

- The streamlined process is open to all resellers, allowing easy processing and fulfillment of medium-to-large orders typically associated with outfitting a whole space.
- Rely on a two-day order processing time plus prepaid freight for all orders over \$1,500.
- The entire order is stocked, shipped and delivered from one location, making installation scheduling easier.
- 50/20/20 discount from list plus prepaid freight results in predictable pricing and easy order quoting.
- Receive a designated program account number for easy ordering and tracking.
- You'll have the choice to send each order to your location or directly to your customer.
- Program available on eligible items only.
