

Delivering the perfect solution for you, your space and your bottom line.

Desks for Any Application

Quality Pedestal Desks and T-Leg Teacher's Desks for any environment.

The family of Alera® desking systems has been designed to fit seamlessly into any facility, including businesses, government, administrative offices and classrooms. Steel metal desks are a heavy duty solution that will withstand long-term every day use.

Pedestal Desks

Available in a variety of color combinations, they feature laminate wood surfaces that resist scratches, stains and water damage. Standard features include: full extension ball-bearing slides, central locking center drawer, and a durable laminate work surface.

T-Leg Teacher's Desks

The innovative T-leg design not only lends a sleek, contemporary look but also offers unparalleled ease in rearranging your space to fit any teaching style or classroom layout. The work surface is finished with a T-mold edge, ensuring a safer environment for students and educators.
